JSLPS PROGRESS REPORT
AS ON
(December 31, 2018)
Jharkhand State Livelihood Promotion Society (JSLPS) was formed as an autonomous society in the year 2009 within the Rural Development Department, Government of Jharkhand. The society is created to serve as a special purpose vehicle for smooth implementation of poverty reduction schemes (DAY-NRLM and others) in the state.

**Strategies/ Approaches to combat the poverty reduction**

- Collectivization of poor and honing their capacity and skills.
- Enabling environment for financial literacy and enhancing accessibility of financial services.
- Sustainable Income enhancement by providing reliable livelihood opportunities.
- Intra and inter department Sectoral Convergence.

Jharkhand State Rural Livelihood Mission (SRLM) has presence in **254 blocks in all 24** districts of Jharkhand. SHGs promoted by JSLPS are called *Sakhi Mandal*. The idea is to reach out to all rural poor and vulnerable households’ members through *Sakhi Mandal* and currently **21.02** lakhs families are mobilized through **1.74 lakhs** Sakhi Mandals. These *Sakhi Mandals* federated at the village and cluster level are called village organization and cluster federation and as on Dec, 2018, **10,157** Village Organizations and **402** Cluster Level Federations (CLF) were formed and providing regularly support to *Sakhi Mandal* for poverty alleviation.

5 Community managed training center (CMTC) established at block level and it has plan to establish 19 more CMTC for Capacity building of community institutions.
Financial Inclusion

Access to repeat finance at affordable cost and financial literacy is one of the key strategies where Bankers are treating these institutions as probable and possible clients and trust on them has considerably increased. JSLPS has initiated Bank Sakhi model, where community institutions identify the SHGs’ member and place them in the bank branches for helping SHGs in bank related work. Similarly, Banking Correspondents are deployed to provide door step banking services and promote capacity building for digital use for improving their knowledge and enhancing digital connectivity.
