Internship policy of JSLPS

1. ABOUT JSLPS

Jharkhand State Livelihood Promotion Society (JSLPS) was formed as an autonomous society in year 2009 within Rural Development Department, Government of Jharkhand. The society was formed to serve as nodal agency for smooth implementation of poverty reduction strategies, schemes and programmes in Jharkhand for disadvantaged groups. The society works as a specialized agency for livelihood promotion strategies and interventions in the state and collaborates with various government departments, NGOs/CBOs, technical institutions and private sector. It functions democratically through an Executive Council (EC) and a General Body (GB), which represent secretaries from different departments of Government of Jharkhand, policy makers, social workers and representatives of NGOs. Hon’ble Minister, Rural Development is chairperson of GB while the EC is headed by the Principal Secretary, Rural Development Department.

Jharkhand State Livelihood Promotion Society has been designated by the State Government to anchor and implement the National Rural Livelihood Mission in Jharkhand in the September 2011. The JSLPS has initiated the SRLM’s activity in the financial year 2012-13. The State Mission Management Unit (SMMU) has been established within the society, which is headed by a full-time Chief Executive Officer (CEO). The CEO is being supported by a full-time Chief Operating Officer (COO) and a team of senior level professionals and thematic experts. The SMMU has unveiled its independent vertical at district (DMMY) and blocks (BMMU) which are headed by District Program Manager and Block Program Manager respectively. Besides, NRLM, the society runs several other important schemes on rural development sanctioned by the Government of Jharkhand and Government of India respectively, some important are; Sanjivini Project, Model Village, Socio-Economic and Caste Census (SECC), Special SGSY and others.
Objectives of JSLPS

The major objectives of JSLPS are:

I. To alleviate the poverty, especially among the disadvantaged groups in Jharkhand.
II. To contribute to the lives of the rural poor throughout the state through empowerment and fostering strong self-managed grass root institutions and support investments for the groups of the poor.
III. To promote convergence among various poverty reduction and empowerment programs/schemes.
IV. To evolve strategies and approaches for the empowerment of the poor through social mobilization and institution building for community participation.
V. To build support and service structures for providing social and technical guidance to the poor in their overall social progress and livelihood development.
VI. To establish models for participatory social and economic development of the rural poor in conformity with all these objectives and prove their relevance, sustainability and suitability of replication.
VII. To facilitate knowledge and experience sharing among stakeholders including - government departments, technical institutions, relevant autonomous agencies of the government, civil society organizations, non-governmental organizations, private sectors, community based organization and research agencies.
VIII. To strengthen and form producer cooperatives/groups/companies around key commodities non-farm products and services and expanding poor people's participation in existing commodity cooperatives and producer groups/companies.
IX. To support development of new ideas and innovative programs.
X. To foster collaboration among relevant departments at State and District level for poverty alleviation of disadvantaged groups in the state and partnership with civil societies, NGOs or/and any other resource agencies.
XI. Provide technical and other advisory support to government and stakeholders.
2. PROSPECT OF INTERNSHIP IN JSLPS

JSLPS's concept of "internship" endeavors to provide real work experience to prospective interns who are looking to explore or gain the relevant knowledge and skills, contribute in process of policy interventions, social work, social development, livelihood options and above all an enhanced perspective which is required to enter into a particular career field.

In JSLPS, an internship means, providing pre-professional work experience to students of graduation/post graduation from premier institutes and universities in development sectors. As a part of course curriculum, students are placed in various institutions/Voluntary Organizations/NGOs for internship. The primary focus on involving interns is exposing them to practical field experience where they can develop confidence by application of theoretical classroom based learning’s into practical field based impacts. In fact, internship provides an excellent way to begin building those all important skills, knowledge, capacity and connections that are valuable in developing and maintaining a strong professional caliber and networking for the future career.

The JSLPS proactively encourages students, universities, colleges and organizations to second their interns around thematic areas of mutual interest wherein there is a twofold benefits – firstly to the organization and secondly to the intern in terms of the experience gained during the period of assignment.

The Internship at JSLPS provides students a fair chance to explore/experience and contribute towards understanding of society as well as organizational management by participating in different thematic domains like social mobilization, livelihood, skill development, MIS, research, field exposures and documentation.

3. OBJECTIVES OF INTERNSHIP

The objectives of JSLPS internship programme are:

i) To explore and select potential interns and enhance their knowledge, skills, capacity and understanding of various facets in Rural Development.

ii) To equip them with skills and competencies in action researches, advocacy, communication, capacity building, team builds project management for various ongoing programs and schemes which are designed for disadvantaged groups with focus on social inclusion and promote gender equality.
