

JSLPS PROGRESS REPORT

AS ON

(August 31, 2018)

About JSLPS

The Rural Development Department of Government of Jharkhand (GoJ) has established a separate and autonomous society named as “Jharkhand State livelihood Promotion society” (JSLPS) which works as a nodal agency for effective implementation of livelihood promotion in the state.

Objectives

- To alleviate the poverty in the state, especially among the disadvantaged groups.
- To contribute to the lives of the rural poor throughout the state through empowerment and fostering strong self-managed grass root institutions and support investments for the groups of the poor.
- To bring in convergence among various poverty reduction and empowerment programs/schemes.
- To evolve strategies and approaches for the empowerment of the poor through social mobilization and institution building for community participation.
- To build support and service structures for providing social and technical guidance to the poor in their overall social progress and livelihood development.
- Establish models for participatory social and economic development of the rural poor in conformity with all these objectives and prove their relevance, sustainability and suitability of replication.
- To facilitate knowledge and experience sharing among stakeholders including – government departments, technical institutions, relevant autonomous agencies of the government, civil society organizations, non-governmental organizations, private sectors, community based organization and research agencies.
- To strengthen and form producer cooperatives/ groups/companies around key commodities non-farm products and services and expanding poor people’s participation in existing commodity cooperatives & producer groups/companies.
- Support development of new ideas and innovative programs.

- Foster collaboration between relevant departments at State and District level for poverty alleviation of disadvantaged groups in the state and partnership with civil societies, NGOs or/and any other resource agencies.
- Provide technical and other advisory support to government and stakeholders.
